**UPDATED STATUS REPORT ON EMPLOYEE IDENTIFICATION CARDS AND BADGES**

This updates my last report to your Board dated June 1, 2006. Since that report, significant progress has been made in a complete revision to the County Badge Ordinance. This has been as a result of committee work involving a number of County departments and commissions meeting weekly. The committee is co-chaired by my Office of Security Management and the Office of the County Counsel.

Additionally, a physical audit and inspection of all County departments and commissions began on August 22, 2006. The audit and inspection, being conducted by the Office of Security Management, should take an additional six weeks to conclude. This is based, in part, on the substantial amount of data that must be gathered and then reconciled with the earlier information obtained from the countywide survey we conducted in late May, 2006.

We anticipate providing your Board with preliminary conclusions and recommendations within the next 90-120 days.

If you have any questions, please contact Lieutenant Steven A. Miller at (213) 893-2069, or Sergeant Alex Canchola at (213) 893-9739, Office of Security Management, Chief Administrative Office.
